

Transaction Liability Private Enterprise (TLPE)

Product Fair Value Assessment

Date of last fair value assessment: April 2024

Expected date of next fair value assessment: within 12 months of the above date

As an FCA-regulated business that underwrites on behalf of Lloyd's and Company Market providers, CFC has a robust Product Governance framework in place. This framework is reviewed regularly by our carriers, regulators and external auditors. All of our products are tested before being brought to market and are subject to at least an annual review to ensure they are continuing to provide fair value to customers. Our distribution channels (brokers) are carefully selected by CFC's Distribution team to ensure that CFC only works with Brokers who understand and are appropriate for, CFC's products.

The policy schedule lists relevant information, including the carrier names, as well as the UMR.

Product information

This product is designed to meet the insurance needs of UK-based small business sellers, covering financial loss or liability arising out of a breach of warranty given by sellers in a share or asset purchase agreement. The policy will also respond to defence costs.

Additional information about this product can be found in the Key Facts document.

Target market

This product is suitable for UK-based small and micro deals with an enterprise value of GBP 250k, up to GBP 20m across the manufacturing, education, franchise, retail, leisure, hospitality and real estate sectors. We will also consider professional services, technology service and product businesses, transport and insurance brokers.

Types of customers for whom the product would be unsuitable

This product is not suitable for deals over GBP 20m.

Deals greater than GBP 20m may be insurable under our standard W&I insurance product.

Further, financial services, oil and gas, mining, pharmaceuticals and regulated industries (such as telecommunications) will ordinarily fall out of appetite.

Any notable exclusions or circumstances where the product will not respond

Standard market exclusions apply. Notable exclusions are highlighted in the Key Facts document.

Please review the Conditions under the policy document to ensure all obligations under the policy are understood.
