As an FCA-regulated business that underwrites on behalf of Lloyd's and Company Market providers, CFC has a robust Product Governance framework in place. This framework is reviewed regularly by our carriers, regulators and external auditors. All of our products are tested before being brought to market, and are subject to at least an annual review to ensure they are continuing to provide fair value to customers. Our distribution channels (brokers) are carefully selected by CFC's Distribution team to ensure that CFC only works with Brokers who understand and are appropriate for, CFC's products.
