

Corporate Medical Malpractice Product Fair Value Assessment

Date of last fair value assessment: January 2024

Expected date of next fair value assessment: within 12 months of the above date

As an FCA-regulated business that underwrites on behalf of Lloyd's and Company Market providers, CFC has a robust Product Governance framework in place. This framework is reviewed regularly by our carriers, regulators and external auditors. All of our products are tested before being brought to market and are subject to at least an annual review to ensure they are continuing to provide fair value to customers. Our distribution channels (brokers) are carefully selected by CFC's Distribution team to ensure that CFC only works with Brokers who understand and are appropriate for, CFC's products.

The policy schedule lists relevant information, including the carrier names, as well as the UMR.
